Cashback terms and conditions

1. Introduction and Definitions

The Cashback rules below (the "Rules") set out the basis on which you can earn and receive monthly Cashback.

2. How do we calculate your monthly Cashback award?

Your monthly Cashback award will be calculated on all Eligible Spend you make within the statement month where your spend is £2000 or more. This amount is then rounded down to the nearest penny. From time to time we may offer you additional Cashback which will be subject to separate promotional terms.

3. Cashback on Eligible Spend

1% on all Eligible Spend when you spend £2000 or more in a statement month. By "Eligible Spend" we mean any card purchases that you or any additional cardholder(s) on your account make. Unless we tell you otherwise, Eligible Spend excludes purchases that are subsequently returned or refunded, balance transfers, cash withdrawals, cheque purchase, insurance premiums, interest, Default Charges and other fees and charges.

4. How will you receive your monthly Cashback award?

After the end of the monthly statement period we will work out your monthly Cashback award. We will then credit your account with the value of your monthly Cashback award in the same month's statement period.

5. Cancelling Cashback

To benefit from your monthly Cashback award you must comply with the following Barclaycard conditions (the "Conditions").

- (a) If you breach the Conditions you will not earn any Cashback in respect of the statement period in which the breach occurs. You will not earn Cashback until your account is brought back within the Conditions.
- (b) If you breach the Conditions in two consecutive statement periods we will cancel the monthly Cashback award you would otherwise have earned for both monthly statement periods. A breach of your Conditions includes a failure to make your monthly minimum payment by the payment due date, exceeding your credit limit or having a cheque, direct debit or other items returned unpaid.

- (c) We will also cancel any monthly Cashback award you would otherwise have earned for the entire monthly statement period if:
- Your account is closed, either by you or us, within the monthly statement period;
 - The credit line on your account is revoked;
 - Bankruptcy proceedings have been started against you;
 - We suspect that you or any additional cardholders have committed a fraud on the account.
- (d) If you are in breach of the Conditions at the time that your Cashback is due to be paid, we will suspend your award. The monthly Cashback award will be paid to you after you have complied with your Conditions for an entire monthly statement period.

6. Refunds

If you are given a refund for a purchase, this will be deducted from the Eligible Spend used to calculate the value of your monthly Cashback award.

7. General

Barclays cannot provide tax advice regarding the personal income of customers. It is your responsibility to pay any taxes. The Cashback you receive under this offer is not subject to UK income tax.

8. Changes to these Rules

We may change these Rules or withdraw the Cashback award, by giving you notice. If the change is to your advantage, we may make the change and tell you afterwards. If we withdraw the scheme, we will credit you with the amount of the Cashback due to you at the date that the scheme is withdrawn.
