#### Notes:

<sup>\*^</sup> Barclays will apply a £240 charge per quarter per Barclays customer using HSM for the provision and maintenance of the PKI certificate(s) that are loaded in the HSM. This is a single fee per customer i.e. customers may have multiple HSM certificates and use this with multiple Service Users or Bureau. VAT is not applicable as this service is VAT exempt.

<sup>~</sup> Transaction price is subject to an additional credit or debit fee.

<sup>^^</sup> Cards/SIM expire after three years and are automatically renewed and issued to the customer approximately 6 weeks before their expiry date. There is no charge for the renewal of cards.

- Unapplied items (beneficiary bank unable to apply credit) included in the service
- Cancellation (MT192) – included in the service
- Amendments – included in service fee

## Cut-off times

We'll always try to be clear with you about how long it's going to take for us to do what you ask. Our working days are generally Monday to Friday except public holidays. We'll start work on your instruction to make a payment on the same working day we receive it, except if it is after the cut-off time for accepting new instructions for that day. In that case, we'll process it the next working day. Different types of payment instructions have different cut-off times.

If we receive your payment instruction on a public holiday or at the weekend, we'll usually process your instruction on the next working day, unless we can process it as a Faster Payment. In that case, we'll process it on the same day.

The table below gives you information on the timings of your payment.

- It shows the cut-off time for you asking us to make a payment.
- It also tells you how long payments take to reach the recipient's bank.

Payment type	Cut-off time	When the money will reach the bank of the person you're paying
Internal transfer between sterling accounts	None applies	Immediately.
Internal transfer involving a non-sterling account	Euros: <b>3pm</b> US Dollars: <b>5.30pm</b> Other currencies: Please check our website	Immediately.

### Sending money in sterling to accounts held at other banks in the UK

To accounts at other banks in the UK		
Faster Payment: <b>11:45pm</b> CHAPS, branch/telephone banking: <b>3.30pm</b> CHAPS, Online Banking: <b>5pm</b> Standing Order: Request must be received by <b>12am (midnight)</b> the working day before you want the payment to be sent.	Usually within two hours. Same day.	On the requested day.
Direct Debit: Direct Debits are controlled by the company you're paying and they will submit the request at least 3 working days before the payment date. If it's a new Direct Debit they may need longer to be able to set it up.	On the day you have agreed with the organisation you're paying.	

### Sending money outside the UK or currency payments within the UK

SEPA Credit Transfer	Branch/telephone banking: <b>2pm</b> Online Banking and the Barclays app: <b>3pm</b>	No later than the end of the next working day after we process your payment instruction.
SEPA Direct Debit	Request must be received by <b>2.45pm</b> on the working day before the payment is due	On the day you have agreed with the organisation you are paying.

All other payments in euros to an account in the UK or EEA	Branch/telephone banking: <b>2pm</b> Online Banking and the Barclays app: <b>3pm</b>	No later than the end of the next working day after we process your payment instruction.
All payments in sterling to an account in the EEA	Branch/telephone banking: <b>2pm</b> Online Banking and the Barclays app: <b>5pm</b>	No later than the end of the next working day after we process your payment instruction.
All payments in US Dollars to an account in the UK or EEA	Branch/telephone banking: <b>2pm</b> Online Banking and the Barclays app: <b>5.30pm</b>	No later than four working days after we process your payment instruction.
All payments in other currencies to an account in the UK or EEA	Branch/telephone banking: <b>2pm</b> Online Banking and the Barclays app: Please check our website	No later than four working days after we process your payment instruction.
To accounts outside of the UK or EEA in other currencies	Please check our website	This varies depending on the currency or country you're sending the payment to (or both). You can ask us to tell you when we expect the bank to receive the payment.

If you are making the above payments through any other channel stated, for example B.net, then please refer to the specific cut-off times for that channel.

## Glossary of terms

**Audit letters** – These are letters written by us to your accountant, certifying details of your account.

**Automated Bulk Clearing (ABC)** – A centralised service which makes the collection and processing of large volumes of paper credits simple, efficient and reliable by amalgamating all credits received each day into a single statement entry. Reconciliation is achieved by the provision of supplementary list. No longer on sale.

**Bacstel IP/Secure IP** – Bacstel-IP and Secure-IP are known as the delivery channels that enable Bacs Direct Debit and Direct Payments and Faster Payments transactions to be processed.

**Barclays Direct Deposit Service (BDDS)** – A secure and convenient service whereby cash and/or cheque deposits are collected from the client's premises by an approved Cash In Transit (CIT) carrier company and processed and credited at a cash/cheque processing centre. This is available in the UK mainland and Northern Ireland (excluding cheques in NI).

**Barclays SEPA Direct** is an internet front end service which enables users to meet their (bulk) Euro payment and collection requirements across the SEPA member countries.

**Cash-Advantage** – A fast, secure and more convenient way to deposit cash and small volumes of cheques over the branch counter, enabling instant credit and deferred checking in a cash centre. No longer on sale.

**Cheques returned to you unpaid** – This is where a cheque is paid into your account which is returned unpaid by the drawer's bank.

**DCA^ – Direct Corporate Access (DCA)** – Provides Barclays' Clients with direct access to the Faster Payments Service (FPS) clearing for in a very similar way that access to Bacs is provided by Bacstel-IP. DCA enables submission of files of payments (each payment value capped at £250K), however as the central FPS processes payments individually, VocaLink, the operators of DCA, split the files into individual instructions for processing through FPS.

**Direct Presentations** – A service which enables a customer to establish if a cheque they have received will be paid more quickly than paying it through the regular clearing system.

**Electronic Channels** – A secure way to access your accounts, manage payments, check your statements and much more online and through Barclays app.

**File Gateway** – is a single electronic gateway for the exchange of files between our clients and Barclays. The service can help our clients to streamline processes from their Treasury Management Systems (TMS) and ERP straight through to local clearing.

**SFTP, FTPS, SWIFTNet FileAct, EBICS and ConnectDirect** – These are all connectivity protocols supported by File Gateway. An implementation involving ConnectDirect has additional technical challenges resulting in a higher implementation fee.

**Hardware Security Modules (HSMs)** – A Hardware Security Module (HSM) enables users of Bacstel-IP and Secure-IP to automate the submission of payment and collection files to Bacs/Faster Payments and the automatic downloading of reports.

**Inter bank claims** – These are claims from other banks for services that they have provided to you. If we have a claim, it will be charged in full to you at the time it is received.

**International Cheques Collection\*\*** – This is most suitable for customers who do not require immediate access to the funds but do need to be sure that the cheque has been paid, for example, before releasing goods to a buyer. The customer's account is credited once we receive payment from the paying bank.

**International Cheques Negotiation\*\*** – This service involves Barclays advancing funds to them before we have received payment from the paying bank, availability is subject to our agreement. We reserve the right to debit the customer's account should the cheque subsequently be unpaid.

**International services** – These include the purchase/sale of travellers cheques and foreign currency and sending or receiving overseas payments.

**Request For Transfer** – eChannel (Barclays.Net only) – The Request For Transfer (RFT) service enables multi-banked customers to send payment instructions to their main (or 'overlay') bank, asking for payments to be made from accounts held at other banks. These instructions are forwarded by the overlay bank to the customer's other banks for processing. The customer deals with one bank only, and avoids the need to liaise directly with each bank when wishing to make a payment.

## Glossary of terms (continued)

**Stopped cheques** – This is where you instruct us not to pay a cheque that you have issued.

**SUN/OIN** – Service User Number (SUN) for Faster Payments via Direct Corporate Access.

**UBR** – Unarranged borrowing rate. The interest for unarranged borrowing is usually charged at 29.5% per annum unless we have agreed a different rate with you. Interest will be calculated on your account on a daily basis and will be debited quarterly.

**VAT** – Unless stated otherwise, all charges exclude VAT. Please note VAT may not apply to all the charges detailed in this tariff.

### Important information about the Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000).

The £85,000 limit relates to the combined amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website [www.fscs.org.uk](http://www.fscs.org.uk) or call the FSCS on 020 7741 4100 or 0800 678 1100. Please note only compensation related queries should be directed to the FSCS.

Barclays Bank UK PLC may also accept deposits under the following trading names: Barclays, Barclays Business Banking, Barclays Premier Banking, Barclays Smart Investor, Barclays Wealth Management, Pingit and Tesco Bank. Deposits accepted from an eligible depositor under these trading names are combined for the purposes of deposit compensation from the FSCS. The FSCS is not applicable to deposits held at branches in the Channel Islands or the Isle of Man.

### Notes:

1. Additional fees may be applied by other banks when drawing cash over the counter, from an ATM outside the Barclays network or when using ATMs abroad.

2. This charge is taken at the time of the transaction rather than in arrears at the end of your usual charging period.

†† An additional variable handling charge may be levied by the beneficiary Bank. An additional charge will be applied for each unpaid cheque.

Cheque Negotiation: There is an additional interest charge for the funds that the Bank will be crediting to the customer. Where funds are being paid into an account in the same currency as the cheque, this charge will be incorporated within the negotiation rate. Where there is a currency conversion, the interest charge (minimum £2) will be shown separately.

Cheque Collection: The face value of the cheque less any charges deducted by the paying bank and ourselves will be created to customers normally within 4-6 weeks.

For foreign currency accounts this fee will be converted to the debit currency using the relevant foreign exchange rate.

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

You will be charged an item fee for each individual cash or electronic payment that you make. In addition you will also be charged for the debit made to your account. This equates to two individual charges per transaction. For example; CHAPS electronic channel transaction fee: £15.00 + debits (automated and manual) fee: £0.54 = total cost: £15.54

Information about your accrued and debited payment transmission charges will be provided in your bank statement. Please contact us if you need this information more frequently.

Should you require any further information about charges that are not covered in this tariff sheet, your Relationship Team will be pleased to help you.

You can get this in Braille, large print or audio by calling 0800 400 100\* (via Text Relay or Next Generation Text Relay if appropriate). Barclays also welcomes calls via SignVideo for BSL users. Visit [barclays.co.uk/signvideo](http://barclays.co.uk/signvideo)

\*Calls to 0800 numbers are free from UK land lines and personal mobiles, otherwise call charges may apply. Please check with your service provider. To maintain a quality service we may monitor or record phone calls. Lines are open 7 days a week, 7am to 11pm.

Barclays Business is a trading name of Barclays Bank UK PLC. Barclays Bank UK PLC is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority (Financial Services Register No. 759676). Registered in England. Registered No. 9740322. Registered Office: 1 Churchill Place, London E14 5HP.

Barclays Bank UK PLC adheres to The Standards of Lending Practice which is monitored and enforced by the Lending Standards Board. Further details can be found at [www.lendingstandardsboard.org.uk](http://www.lendingstandardsboard.org.uk)
