Cut-off times

We'll always try to be clear with you about how long it's going to take for us to do what you ask. Our working days are generally Monday to Friday except public holidays. We'll start work on your instruction to make a payment on the same working day we receive it, except if it is after the cut-off time for accepting new instructions for that day. In that case, we'll process it the next working day. Different types of payment instructions have different cut-off times.

If we receive your payment instruction on a public holiday or at the weekend, we'll usually process your instruction on the next working day, unless we can process it as a Faster Payment. In that case, we'll process it on the same day.

The table below gives you information on the timings of your payment.

- It shows the cut-off time for you asking us to make a payment.
- It also tells you how long payments take to reach the recipient's bank.

Charging and payment frequency

Commission and debit interest

Monthly commission and debit interest charges will be debited to your current account in arrears each month. We will give you approximately 14 days' advance notice of charges to be applied to your account. This advance notification will be by way of a separate statement of charges and will include a detailed breakdown. You will therefore be able to check your charges before they are debited to your account. The monthly charging periods are available on request. The statement of charges will tell you the date on which the charge will be made.

Charges for authorised borrowing

All our borrowing charges will be discussed and agreed with you at the time your facilities are set up, renewed or extended on a temporary basis. Fees are part of the overall price of borrowing and include, for example:

- the costs involved in agreeing or reviewing facilities
- the cost of ongoing monitoring of financial information and lending conditions throughout the term of a facility.

If we ask you to provide security, a further fee will usually be charged to cover the additional costs.

Charges for unauthorised borrowing

If you try to make any payment from your account and you do not have the funds available for it, we will treat this as a request to make or extend the use of our unauthorised overdraft facilities, for which you will be charged an unauthorised overdraft rate of 29.5% per annum.

Authorised borrowing is cheaper than an unauthorised overdraft. Therefore ask us to consider you for our authorised borrowing facilities before your account is in that position.

Using your debit card abroad

Barclays will charge you a 2.75% Non-Sterling Transaction Fee for using your debit card abroad when making purchases, withdrawing cash, or when you are being refunded. This fee will also apply whenever you do not pay in sterling, for example when you shop online at a non-UK website.

Changes to charges

We reserve the right to amend our charges from time to time and make changes to the way your business current account operates. However, we will give you a minimum of two months' notice of any increase to our charges or changes to the way your business current account operates.

Glossary of terms

Audit letters – These are letters written to us by your accountant, certifying details of your account.

Stopped cheques – This is where you instruct us not to pay a cheque that you have issued.

Cheques returned to you unpaid – This is where a cheque is paid into your account which is subsequently returned unpaid by the drawer's bank.

Important information about the Financial Services Compensation Scheme

We are covered by the Financial Services Compensation Scheme (FSCS). The FSCS can pay compensation to depositors if a bank is unable to meet its financial obligations. Most depositors – including most individuals and small businesses – are covered by the scheme.

In respect of deposits, an eligible depositor is entitled to claim up to £85,000. For joint accounts each account holder is treated as having a claim in respect of their share so, for a joint account held by two eligible depositors, the maximum amount that could be claimed would be £85,000 each (making a total of £170,000). The £85,000 limit relates to the **combined** amount in all the eligible depositor's accounts with the bank, including their share of any joint account, and not to each separate account.

For further information about the compensation provided by the FSCS (including the amounts covered and eligibility to claim) please ask at your local branch, refer to the FSCS website www.fscs.org.uk or call the FSCS on 020 7741 4100 or 0800 678 1100. Please note only compensation related queries should be directed to the FSCS.

Barclays Bank UK PLC may also accept deposits under the following trading names: Barclays, Barclays Business Banking, Barclays Premier Banking, Barclays Smart Investor, Barclays Wealth Management, Pingit and Tesco Bank. Deposits accepted from an eligible depositor under these trading names are combined for the purposes of deposit compensation from the FSCS. The FSCS is not applicable to deposits held at branches in the Channel Islands or the Isle of Man.
