Barclays Pack terms and conditions

In these terms and conditions:

- **'we', 'us' and 'our'** refers to Barclays Bank UK PLC, unless stated.
- **'Pack holder'** is the person who made the application to purchase the Pack.
- **'Partner'** is the person nominated by the Pack holder, who lives at the same address.
- **'UK resident'** means a person who spends at least 183 days a year within England, Wales, Scotland or Northern Ireland.

If you have a Barclays current account

You can apply for a Pack through Online Banking, the Barclays app or visiting a branch.

These terms cover your Pack. If there's inconsistency between these and the Retail Customer Agreement, these terms take priority in relation to the Packs.

Each of the benefits and services in the Pack are provided to you under a separate agreement with the provider of the relevant benefits or services and the provider is responsible for providing the relevant benefits and services to you. The provider may be a company within the Barclays group of companies or by a company outside that group.

A Pack is a set of services (such as insurance) available to any eligible person aged 18+ for a monthly fee. You can only purchase a Pack and claim the benefits included in it if you are a UK resident.

Eligibility for Pack benefits

Before choosing a Pack, you should check that you are eligible for the benefits under each policy or feature. We will provide information and ask you questions to help you do this. For instance you may not be eligible to claim for certain benefits because of your age (you, and any family, will no longer be covered by the travel insurance element of the pack when you reach the age of 80 years old), or you have a pre-existing medical condition.

What you pay

You pay a monthly fee in advance for each Pack purchased, as set out in the 'Statement of Price' within the About Our Insurance Services section. The Pack fee includes Insurance Premium Tax at the current rate. The monthly fee is the cost of the Pack as a whole. No part of any Pack fee is attributable to any particular benefit or service in your Pack. You will not be entitled to a refund or reduction in the Pack fee if you choose not to use a benefit or service, you're not eligible for a benefit or service, or it's not otherwise available to you. You must have a Pack for a minimum term of six months from the date you purchase the Pack (unless we say otherwise in these terms) after which you can close the Pack at any time.

You may be able to add additional features to the services included in a Pack and we'll tell you what these cost before you choose to add them.

By agreeing to these terms and conditions you provide Barclays authority to:

- (i) debit a part payment of the monthly Pack fee to cover the period from the date on which you purchase the Pack, up to the last day of that month, and thereafter
- (ii) debit the monthly Pack fee
- (iii) apply a change to the monthly Pack fee subject to the appropriate notice period.

All payments will be taken in advance from your Barclays current account on the first working day of the month on an ongoing basis until your Pack is cancelled. You must ensure you have sufficient credit funds in your Barclays current account to cover the monthly Pack fee, otherwise you may incur borrowing charges in line with any arrangement you have with us.

Keeping each other informed

We need you to tell us about changes to your situation or personal details, and we'll keep you informed about certain things that affect you. Information will only be sent to you, the Pack holder.

How we contact you

We'll contact you, the Pack holder, using the details you have given to us. This may include using your landline phone, mobile, email or home address. If you have a Barclays current account, we may also contact you through Online Banking or the Barclays app if you use these.

You can tell us how you want us to contact you, for example by post or your available digital channel. Where we can, we'll contact you using your preferred method. We may not always be able to do this – for example, sometimes the law may require us to send you something by post. If we send information to you at the most recent postal address you have given us and it's returned to us as undelivered, we'll stop using that address unless we are required by law or regulation to send you information.

If you have not told us how you'd prefer us to communicate, then we'll normally contact you by email. If we send you information through Barclays Online Banking, we'll text you or send you an email or other electronic message reminding you to view any new message we've posted. Where we do this, we won't normally send documents to your home address as well (unless we have to or you have asked us to).

Once we've sent a message to you, we'll assume you have received it. So it's important to look out for notifications like emails or texts from us.

We are always working to make our services more convenient and flexible so we may introduce new ways of communicating with you in the future.

Help us to keep your information private

It's your responsibility to control who reads your information. When you choose how you would like us to contact you, you should choose a method that will be most secure for you. If you use a method that other people can access or read (such as a shared email address or shared mobile number), please be aware that these people will also be able to access the information we send you.

Keeping your details up to date

When we send information to you, we'll send it to the most recent contact details we have for you. If these details change and you don't tell us straight away, you may not receive information that could be important – or it could fall into the wrong hands. If you have given us contact details (even if you think we don't use some of them, such as your mobile phone number), you must let us know if they change. This will include you:

- home address
- email address
- landline phone number
- mobile phone number

It's very important that you also keep us informed if there are any changes to your situation, personal details or any other important changes that are relevant to us – for example, if you:

- change your name
- move to another country and are no longer a UK resident

If you don't keep all your details up to date, this might affect your eligibility for Pack(s), or how they work. This is also so we can continue to manage your Pack(s), and communicate with you including notifying you of changes. We also respect your privacy and we don't want to send you unwanted information.

If you wish to remove or change the Partner named on the Pack(s), we'll close your Pack(s) to do this before opening a new Pack(s). The minimum term will re-start upon the purchase of a new Pack(s).

Contacting us

You can always contact us through your available digital channel, or other electronic methods we tell you about. You can also contact us by telephone using the details we give you, by visiting a branch or by post. We'll let you know if our details change.

You can contact us by any of the following methods:

- Log into the Barclays app and select the 'call us' feature
- By telephone on **0800 158 3199**
- Visit your local branch
- In writing to **Barclays, Leicester LE87 2BB**

Closing your Pack or leaving Barclays

Whilst we'd be very sorry to lose you, you can close your Pack within the 14-day cooling off period, which starts the day your Pack is purchased or you receive your Welcome Pack, whichever is later. If you close your Pack within this period and have paid your first monthly Pack fee, it will be refunded. You can also cancel or close your Pack at any time after the minimum term explained below has ended. If we need to close your Pack, we'll follow the process set out below.

Duration and Minimum Term

You must have a Pack for a minimum term of six months from the date you open the Pack, after which the Pack will automatically renew on a monthly basis and after which you can close the Pack at any time. There are some exceptions to this minimum term requirement. You may close your Pack:

- within the 14-day cooling-off period as set out above
- if you have Travel Pack or Travel Plus Pack and are no longer eligible for the travel insurance benefit as you are 80 years of age
- if you experience financial hardship due to a significant change in personal circumstances, for example, you're declared bankrupt
- if you're no longer resident in the UK
- after we have notified you of an unfavourable change to the terms of the Pack you hold, such as an increase in price or a change in what the Pack provides (provided that you do so before the change takes effect)

- if you have Travel Pack or Travel Plus Pack and serious ill health, injury or mental incapacity prevents you from travelling or death of the Pack holder, spouse/partner

If you tell us you want to close your Pack, closure will take effect on the day that we receive notice from you (so the insurance and your right to receive any of the other services within the Pack will end on the date we receive your notice). You will receive a part refund for the remaining number of days in that month, including the day we receive your notice. You won't be able to use any benefits or services linked to it any more although you can still make a claim for an event which occurred whilst you were insured.

We will not let you re-select the same Pack for 12 months if you cancel it within the minimum term, or your Barclays current account is closed by Barclays Financial Assistance or if you do not comply with these terms and conditions.

You are unable to cancel individual insurance Pack products, only the whole Pack.

You can cancel your Pack within the Barclays app, Online Banking, by calling us, visiting a branch or by writing to Barclays, Leicester LE87 2BB.

When we can close a Pack

We can close a Pack by giving you at least 30 calendar days' notice. This also applies during the minimum term. However, we may close your Pack immediately or on less notice if we reasonably believe you have seriously or persistently broken any terms of the agreement or we reasonably believe any of the following applies:

- you put us in a position where we might break a law, regulation, code or other duty that applies to us if we maintain your Pack
- you give us any false or inaccurate information at any time
- you commit (or attempt) fraud against us or someone else
- you behave in a threatening or abusive manner to our staff
- you become bankrupt
- your Barclays current account is closed by Barclays Financial Assistance

The insurer may also cancel the insurance policies within Travel Pack as set out in the terms and conditions of the policy document.

Using the Current Account Switch Service

If you decide to switch your current account from us by using the Current Account Switch Service, your Pack will be closed on the same day that your Current Account is closed.

Changes we can make to this agreement

Sometimes we'll want or need to change things, such as charges or terms of our agreement. For most changes, we'll tell you in advance, but we don't always need to do this.

We review the Packs from time to time and may make changes to them, including the benefits and services included in a Pack or the providers of these or the monthly Pack fee. We may also make changes to the terms on which each benefit is provided (such as changes to the terms of an individual policy). We'll give you 30 calendar days' notice before any changes apply.

If we make changes to a Pack, we will provide information about you to any new provider to make sure there is no interruption in the benefit or service you receive. The new provider will use your information to provide you with the benefits and services.

Changes we need to tell you about in advance

We may make changes to your agreement with us because:

- we're changing a service we already offer, or introducing a new service that needs a change to the terms of this agreement, such as introducing a new charge
- we're changing the agreement to be in line with the banking industry and our competitors
- we're withdrawing a service or type of Pack
- we're moving you from one type of Pack to another for a good reason – examples of this include where we're withdrawing a Pack
- we need to make changes to take account of developments (or changes we reasonably expect to help) in technology (including the systems we use to run our business), or in the banking system generally

- our agreement or the Pack is affected by a change in the law or regulation (including industry codes we follow) or decisions of the Financial Ombudsman, a regulator or court
- changes in our costs (including changes we reasonably expect to happen) mean we need to change or introduce charges

Because you may have your Pack with us for many years, we need the flexibility to manage our business long term, including providing a sufficient financial return for us to operate our business in a prudent and sustainable manner. We can't predict everything that may affect our business, so there may be other reasons we have not set out above when we need to make a change. But please be assured we'll only make changes we think are fair and will give you 30 calendar days' notice of the change unless we are prevented from doing so by law or regulation, or the change is in your favour.

If we give you notice as set out above and you don't tell us you want to close your Pack, then we'll treat you as having accepted the change. If you don't want to accept the change and want to end this agreement and close the Pack, you must tell us before the proposed change applies.

Changes we don't need to tell you about in advance

We don't have to tell you about changes to these terms and conditions (or changes in the insurer terms and conditions) in advance when any of the following happen:

- if the change is in your favour
- we make a change because a change in law or regulation says that we have to by a particular date, and there isn't time to give you notice.

Instructions for your Pack(s)

We will only accept instructions from the Pack holder about the Pack (including to change your contact preferences and to apply for new Packs, products and services).

Your partner will be able to register a product, if required, or make a claim for the Pack benefits or services. They cannot provide any other instructions in relation to the Pack.

If you think your security has been compromised

If you think someone (except someone you have asked to provide Pack information) has used or is able to use any of the means of access to your Pack, you must tell us as soon as you can by using the contact details shown in the 'Unauthorised access to your Pack?' section.

If you have a Barclays current account, we can arrange to temporarily suspend access to a service (such as Telephone Banking) to prevent anyone misusing your Pack(s).

You must give us any information we ask for about what has happened. We'll pass this to the police if we have to, or if we think that will be useful.

Unauthorised access to your Pack?

If you think someone could have got unauthorised access to your Pack, call us right away:

- **0800 400 100*** – 24 hours
- **+44 2476 842 099*** – if calling from outside the UK

Complaints and the protection you have

If you have a complaint

We want to hear if you feel unhappy with the level of service you have received from us. If this relates to your claim, we recommend you contact the insurer to avoid any delay. Details of how to contact the insurer are set out in your policy documents.

Your feedback gives us the opportunity to put matters right and improve our service to all our customers. A leaflet detailing how we deal with complaints is available on request in our branches, from the Barclays Information Line on **0800 400 100*** or at **barclays.co.uk**.

You can contact us to complain by any of the following methods:

- Log in with your Online Banking details and select 'contact us' from the top menu
- Log into the Barclays app and select the 'call us' feature
- By telephone on **0800 282 390**
- In writing to Freepost Barclays Customer Relations

If we do not resolve your complaint internally to your satisfaction, you may be able to refer it to the Financial Ombudsman Service (FOS):

- In writing to Exchange Tower, London E14 9SR
- Online on **financial-ombudsman.org.uk**
- By email to **complaint.info@financial-ombudsman.org.uk**
- By telephone on **0800 023 4567**.

The FOS is an organisation set up by law to give consumers a free and independent service for resolving disputes with financial firms. You can get details of those who are eligible complainants from the FOS.

Nothing in these terms, including referral to the Financial Ombudsman Service, affects your statutory rights.

Using information about you

Barclays is committed to protecting your personal data. We will use your information for a number of different purposes, for example, to manage your Pack(s), to provide our products and services to you and others and to meet our legal and regulatory obligations. We may also share your information with our trusted third parties for these purposes. For more detailed information on how and why we use your information, including the rights in relation to your personal data, and our legal grounds for using it, please go to **barclays.co.uk/control-your-data** or you can request a copy from us.

Credit Reference Agencies and Fraud Prevention Agencies

In order to process your application, we will supply your personal information to credit reference agencies and fraud prevention agencies and they will give us information about you, such as about your financial history. We do this to assess creditworthiness and product suitability, check your identity, manage your account, trace and record debts and prevent criminal activity. These agencies may in turn share your personal information with other organisations. If fraud is detected, you could be refused certain services, finance or employment.

Once you open a Pack with us, we will share pack data with the credit reference agencies on an ongoing basis.

If false or inaccurate information is provided to us and fraud is identified, details may be passed to credit reference and fraud prevention agencies to prevent fraud and money laundering and to verify your identity.

The Credit Reference Agency Information Notice (CRAIN) describes how the three main credit reference agencies in the UK each use and share personal data. The CRAIN is available on the credit reference agencies' websites:

- transunion.co.uk/crain
- equifax.co.uk/crain
- experian.co.uk/crain

Or you can ask us for a copy of these.

For more details on how information held by credit reference agencies and fraud prevention agencies may be used, please go to barclays.co.uk/control-your-data or you can request a copy from us.

- What you should take with you regarding first aid and health
- What currencies and travellers' cheques to take with you, and what the current exchange rates are, the languages spoken, time zones, bank holidays and climate of countries you plan to visit
- Import and export allowances for tourists

While travelling

There's no charge for the provision of the advice, guidance or other emergency service shown above. However, if you wish us to obtain goods or services on your behalf that aren't covered by a claim under this policy, you'll need to pay any fees that the provider charges and you'll need to adhere to the provider's terms and conditions.

2. Making a claim

What you need to do

If you have a medical emergency contact the 24-hour Medical Assistance number on 0044 1603 604 976

In life-threatening situations seek medical attention immediately, don't delay getting help but do call our 24-hour medical assistance helpline as soon as you can. Our team will coordinate your treatment which may include moving you to another hospital or arranging to bring you home early. If necessary, we can arrange for a telephone consultation with our UK GPs.

In non-life-threatening situations contact our 24-hour medical assistance helpline before making any arrangements for

- Admission to hospital
- Treatment, tests or investigations as an outpatient
- Repeat consultations with a doctor

For a minor illness or injury treated with medication from a pharmacy or one-off treatment at a clinic, keep any receipts for costs incurred and contact us when you get home. If you need assistance contact the 24-hour medical assistance helpline at any time.

Unrecoverable costs

Your travel policy provides cover for unrecoverable costs. If you need to make a claim for travel, accommodation or costs related to your trip which any insured person has paid (or legally has to pay), we will consider claims for costs which are unrecoverable from your travel and/or accommodation provider or agent, a debit/credit card company, PayPal, ABTA, ATOL (or similar organisations).

For example, if your trip is cancelled by your tour operator or booking agent you may have a right to a refund for some or all of the cost of your trip.

If you can't recover all of your costs and your circumstances are covered by the terms of your policy, we'll consider the costs you've been unable to recover.

Information to support your claim

When you make a claim, we may ask you for

- Proof of booking and any costs paid
- Details of any refund you have been able to obtain
- Evidence that you're not able to recover your costs elsewhere

Please check these terms and conditions carefully to ensure you

- Understand what is and isn't covered
- Contact the relevant helpline as soon as you can for assistance
- Keep any documentation that we require. You'll need to provide this in order for us to validate and settle your claim – we may refuse to pay your costs where you cannot provide this

All our claims lines are open 24 hours a day, and for claims which aren't an emergency you can also make a claim online. See section '1. How to get help' for full information.

Limits and excesses

All limits in this policy are per person (apart from Personal liability, which is per incident, per policy).

You'll need to pay the first £50 of any claim per insured person, per incident, per trip (unless stated otherwise). This means that if the total value of your claim is less than £50 we won't make any payment to you.

If any one incident results in you claiming under more than one section of the policy you'll only pay one excess, and where two or more people claim for the same incident, the most you'll pay is twice the excess.

Claims conditions

Your duties

You must

- Contact us as soon as reasonably possible and provide all the information, documents, evidence and help we need to settle your claim or pursue a recovery
- Tell us if you're aware of any writ, summons or prosecution
- Send us every communication relating to a claim as soon as possible

You or any person acting for you, must not negotiate, admit or reject any claim without our permission in writing.

Our rights

If we want to, we can take over and conduct in the name of the person claiming under the policy, the defence or settlement of any claim or issue proceedings for our own benefit to recover any payment we have made under this policy. We shall have full discretion in the conduct of any proceedings or the settlement of any claim.

Claims

You or your legal representative must pay for any certificates, information, or other evidence we may need. For example death or medical certificates, medical reports, police reports or purchase receipts. These costs will not be covered by the policy. We may also ask you for evidence that your main home is in the UK.

If your claim is for personal belongings (or winter sports equipment) it may affect your claim if you cannot prove the value of, and that you were responsible for, the lost, stolen, or damaged items. For example a receipt or credit card or bank statement showing evidence of the purchase, proof of withdrawal or a currency exchange receipt. If you're claiming for damage, we may ask you to send us the broken item.

If we make a payment before cover is confirmed and our claims investigation reveals that no cover exists, you must pay us back any amount which we've paid that you're not covered for.

If you make a medical claim, you may be asked to provide consent for us to access your medical reports in accordance with the Access to Medical Reports Act 1998. Depending on the circumstances, you may also be asked for consent to access other medical or healthcare records. We'll use this information to deal with your claim, including assessing whether cover applies and assisting the treating doctor in providing you with the most appropriate treatment. Without this information, we may not be able to deal with your claim.

We'll assess whether any proposed treatment is an emergency or whether it can wait until you've returned home. If appropriate, we'll arrange for your return to the UK.

In the event of a claim for injury or illness, we may request and pay for you to be medically examined on our behalf. We may request and pay for a post-mortem in the event of a claim for death.

3. Things you need to know about this travel insurance

Eligibility

Who's covered

This policy provides cover for the following 'insured person(s)'

- 'You' – the Pack holder aged 79 or under when the trip starts
- 'Your partner' – who lives at home with you, aged 79 or under when the trip starts
- 'Your children' – you and/or your partner's dependent children aged under 23 when the trip starts (including stepchildren and foster children)

Children are only covered when travelling with you or your partner, or on their own to stay at the home of close relatives who live abroad.

To be covered, your main home address must be in the UK. Additionally, all insured persons must

- Be a resident of the UK (living in the UK for more than 183 days a year)
- Be registered with a UK doctor

Cover will be in place whilst you are a holder of this Pack and will end when one of the 'Automatic termination of cover' events shown in section '6. General Conditions' occurs.

Trip limits and restrictions

Trip duration limit

We'll provide the insured persons with the cover set out in these terms and conditions for trips up to a maximum of 31 days long (except winter sports which is covered for a maximum of 31 days per calendar year). We won't cover any incident which occurs after 31 days unless an upgrade has been purchased.

Longer trip upgrade

If anyone insured by this policy is booking a trip that will last longer than 31 days, this upgrade will provide cover for the entire duration of the trip up to a maximum of 120 days. A return trip must have been booked before you can buy this upgrade. To find out how to get a quote see section '1. How to get help'.

If we offer an upgrade, there will be a premium for you to pay. The upgrade is not available for winter sports holidays. We won't cover any incident which occurs after the trip duration has been reached.

By 'trip' we mean a journey that begins and ends in England, Scotland, Wales, or Northern Ireland ('UK'), where the journey starts after the Pack was purchased, and where the return journey has been booked before leaving the UK, for any combination of the following:

- Holidays, for example winter sports holidays, cruises, and travel for other personal reasons unrelated to an insured person's employment
- Voluntary, charity or conservation work, or fundraising for a registered charity or conservation organisation
- Travel outside the UK in connection with an insured person's job to carry out non-manual work such as administrative tasks, meetings and conferences.

Cover automatically applies for each trip booked. You only need to contact us if you need cover for pre-existing medical conditions, or if a trip's being booked to last longer than 31 days.

If a trip or part of a trip is arranged for any reason other than those listed above, alternative travel insurance should be sought; we won't pay any claim in these circumstances. If a trip is in connection with an insured person's job, they should check if the employer has travel insurance that can provide cover.

UK trips

If the trip is solely within the UK, cover will only apply where the insured person is away from home for at least 2 consecutive nights. They must also have either pre-booked holiday accommodation in a commercially run premises, or prepaid bookings on public transport including flights or ferries.

We won't cover

Any part of any trip arranged

- that started before the Pack was purchased.
- in connection with an insured person's job where the trip involves manual or physical work of any kind, working with children, providing healthcare, policing, security or military service or an insured person's role as a politician, religious leader, professional entertainer or sportsperson.
- to carry out charity or conservation work where this involves working in a healthcare environment or working at heights of more than 3 metres.
- to seek medical treatment or advice.
- to give birth or to collect newly adopted or surrogate children.

Known events

This policy provides cover for unexpected and unforeseen events and circumstances, for example, having an accident while on holiday and needing urgent medical treatment.

We won't cover

There is no cover in relation to any event, incident or circumstances if, at the time you purchased this Pack or a trip was booked (whichever is later), the insured person knew, or could reasonably be expected to have known, that

- the event or incident had already occurred or was going to occur; or
- the circumstances existed, or were going to exist,

and the event, incident or circumstances could reasonably be expected to affect the insured person's travel plans.

For example:

You'd reasonably be expected to know of any event, incident or circumstances (like an air traffic control strike) that had been widely reported in the media in the UK at the time you purchased this Pack or booked your trip (whichever is later).

There'd be no cover for cancellation of your trip if your travel plans were disrupted because flights were cancelled or any government or authority closed their borders, and these cancellations or restrictions were in place or had been announced at the time you purchased your Pack or booked your trip (whichever is later).

Please refer to section '6. General Exclusions'.

Travel advice of the Foreign, Commonwealth and Development Office (FCDO)

FCDO – travel advice by country

Any travel restrictions or advisory notices for countries planned to visit may impact the cover provided by this policy.

We'll provide cover should a trip be booked and then the insured person needs to cancel the trip or return home early as a result of the FCDO advising against all travel or all but essential travel to the destination, or where British nationals are advised to return home.

Before booking a trip and again before travelling, check the FCDO website [gov.uk/foreign-travel-advice](https://www.gov.uk/foreign-travel-advice) – it's packed with essential travel advice and tips, plus up-to-date information about different countries.

We won't cover

Any claim that happens as a result of an insured person

- travelling against the advice of the FCDO.
- not complying with advice or measures which have been put in place by a government in the UK or overseas, for example quarantine rules or curfews.
- not having the correct travel documents or not meeting the entry requirements to a country they're travelling to or through (for example visas or vaccination records).

Reciprocal healthcare agreements

The UK has reciprocal healthcare agreements with a number of countries and territories worldwide. As a UK resident, these agreements mean that you may be entitled to urgent medical treatment at a reduced cost, or in some cases for free. We strongly recommend checking if the country being travelled to has a reciprocal healthcare agreement in place and what the requirements are before leaving the UK. More information can be found online at [nhs.uk](https://www.nhs.uk) and search for healthcare abroad.

Period of Insurance

Each trip taken whilst the Pack is in force will be treated as a separate period of insurance; individually subject to all policy terms, conditions, limitations and exclusions. Cover for each separate trip applies as follows:

- Cancellation cover begins from the date you purchase the Pack or the date of booking each separate trip (whichever is later) and ends when the insured person leaves home to start the trip
- Cover under all other sections begins when the insured person leaves home to start the trip, and ends upon returning home providing that the trip does not exceed the trip limit of 31 days (unless you've purchased the Longer trip upgrade). There's no cover for any incident that occurs after the trip duration has been reached.

Extension of cover

If the insured person can't get back to the UK before the trip limit ends, this insurance will remain in force

1. for up to 14 days if any vehicle the insured person is travelling in breaks down or their pre-booked transport is cancelled or delayed.
2. for as long as is deemed medically necessary by us for the insured person to remain abroad (having consulted with their treating doctor), providing there's a valid claim for emergency medical treatment under this policy.
3. for as long as is necessary in the event the insured person is quarantined.

Information and changes we need to know about

You must take reasonable care to provide complete and accurate answers to the questions asked when you take out this Pack or make changes to it.

When we are notified of a change, we'll let you know if it affects your policy. For example whether we're able to accept the change and if so, whether the change will result in revised terms or an additional premium. If the information provided by you is not complete and accurate, depending upon the information that you've given us, we may

- amend the underwriting decision(s) for declared pre-existing medical condition(s) which may result in accepted conditions being excluded or an additional premium.
- refuse to pay any claim.
- cancel this policy.

You need to tell Barclays

- if you move address. If this means that you are no longer a UK resident or your main address is no longer in the UK then all the cover under this policy will end.
- if you change your name (this affects our ability to maintain and service your policy).

4. Your health

Pre-existing medical conditions – please read this section carefully.

This travel insurance is not a general health or private medical insurance policy and will only cover sudden and unexpected illness or accidents which happen after you purchase your Pack or book a trip (whichever is later).

In some cases, we may be able to offer cover for pre-existing medical conditions. You should read below to find out what medical conditions you need to tell us about and when you need to tell us.

What you need to tell us

By 'pre-existing medical condition' we mean any diagnosed illness, injury or disease where in the 12 months before purchasing your Pack or booking a trip (whichever is later) any of the following applies.

An insured person has

- been prescribed medication, including newly prescribed or repeat medication.
- received or is awaiting medical treatment, investigations or tests carried out by a medical professional.
- been referred to, or had follow up with a specialist or consultant.
- been admitted to hospital or had surgery.

When you need to tell us

1. When you purchase your pack
2. If someone's diagnosed with a new condition (and doesn't have a valid upgrade in place), let us know before booking a trip
3. At expiry of a valid pre-existing conditions upgrade, we'll remind you to do this when your upgrade is about to end.

You can use the **Barclays app** or **Online Banking** to let us know securely online about any medical conditions that you, your partner or your children have.

If you have a pre-existing conditions upgrade in place, you don't need to tell us about changes to the health of anyone you've covered on the upgrade until it ends – see the information under the heading 'Pre-existing conditions upgrade' for more information about how this works.

What's not covered

Unless you have a valid upgrade in place, we won't cover any claim for any insured person arising directly or indirectly from:

- Any pre-existing medical condition
- Any symptoms for which a diagnosis has been sought but not yet received, that the insured person was aware of prior to booking a trip (or purchasing a Pack, whichever is later)

Whether you have a valid upgrade in place or not, there's no cover for any claim for any insured person arising directly or indirectly from any of the following:

- Prescribed medication not being taken as directed.
- Travelling against the advice of a doctor or purposely travelling without medical advice when it was reasonable to have consulted a doctor.
- Travelling with the intention of seeking medical advice or treatment, undergoing medical investigations, or any complications or new conditions found as a result of that advice, treatment or investigation.
- An insured person booking a trip or travelling when they have received a terminal prognosis.

Pre-existing conditions upgrade

We'll assess the information you give us about pre-existing medical conditions, and if cover can be offered, we'll let you know whether there'll be an additional cost to you.

How it works

- Where cover can be offered, you can choose whether to extend the travel insurance to cover claims arising from the insured person's pre-existing medical conditions.
- Once cover is in place there's no need to tell us about changes to the health of the insured person(s) you've bought the upgrade for until the upgrade ends; we'll cover changes to the conditions you told us about as well as any new symptoms, and any new diagnoses until the end date shown on your schedule.

Adding another person to your pre-existing conditions upgrade

If you already have an upgrade in place and there's a change in another insured person's health that means they need cover, we'll add their details to the same upgrade. This means the end date on your schedule won't change.

Where cover can be offered for the additional person and you choose to pay the premium, the cost you pay will be adjusted accordingly based on the number of days that person is covered.

Important information about the upgrade

1. The pre-existing conditions upgrade is an annual contract and begins on the start date shown on the upgrade schedule, which will be provided to you when you take out or make changes to your cover. Cover will continue for a period of 12 months from the start date unless it is cancelled by you or us before then. See section '7. General conditions' for full details about cancellation. The only exception to this is where the insured person(s) will reach the eligibility age limit within those 12 months, where this applies it will be made clear to you how long the cover will last when you take out your upgrade, and the dates of cover will be shown on your upgrade schedule.
2. If an insured person is on a trip when your upgrade expires the cover will cease when the trip ends.
3. We'll contact you in writing at least 21 days before the end date on your schedule. To continue cover (including for any trips you've already booked), you'll need to complete a new medical assessment. This is because we know your health changes over time, keeping your details updated annually means we can provide you with an accurate quote for the cover you need.
4. The upgrade is only valid if your Pack is active and you remain eligible for the travel insurance.
5. If you have a trip that was booked before the expiry date of your upgrade and we are unable to continue to cover your medical condition(s) you can make a cancellation claim.
6. Our risk assessment system is updated on a regular basis. This might mean that the cover we offer and the premium we charge for your medical conditions may change even if your health has not changed.

D. Your belongings

Please read this section carefully to ensure both the cover and the limits provided meet your needs. If the cover or limits do not provide you with enough cover then you may need to seek insurance for your belongings elsewhere, for example through your home contents insurance.

Belongings – means the insured person's luggage and its contents, anything worn or carried whilst travelling, and golf equipment (but excluding money and valuables).

Valuables – means jewellery, watches, items made of or containing precious metals or stones, binoculars, handheld games consoles and equipment, mobile phones, mp3 players, photographic or video equipment, e-readers, laptops, tablets and any accessories designed to be used with any of these including headphones.

Money – means personal cash, postal or money orders, pre-paid coupons or vouchers, non-refundable pre-paid event and entertainment tickets, passports, visas, driving licences and travel tickets that are owned by the insured person.

What we'll cover

We'll cover you if any insured person's belongings, valuables or money are lost, stolen or accidentally damaged during the trip. We'll also pay for

- i. The replacement of essential items that the insured person needs on the trip if their bags are temporarily lost by their transport provider on the outward journey and the transport provider can confirm the insured person was without them for more than 12 hours.
- ii. Hire of replacement equipment if an insured person's golf equipment is lost, stolen, accidentally damaged or delayed by their transport provider on the outward journey and the transport provider can confirm the insured person was without it for more than 12 hours.

We'll choose to settle any claim by payment or replacement and all claims will be settled based on their value at the time of loss. We won't pay the cost of replacing with new items and we also won't pay more than the original cost that the insured person paid for the items.

For golf equipment, we'll calculate the value of any item at the time of loss less a deduction for wear and tear and depreciation.

|-----------------------|----------------|
| Less than 1 year old | 90% of value |
| Less than 2 years old | 70% of value |

Your cancellation rights

You have a statutory 14-day period in which to cancel this policy. This period begins on the date you purchase this Pack or the date you receive your policy document, whichever is later. If you've paid your first monthly Pack fee and cancel within this period, it will be refunded.

For your cancellation rights outside the 14-day period, please refer to 'Closing your Pack' in the Barclays Pack(s) terms and conditions within this Welcome Pack.

Upgrades

- You have a statutory right to cancel within 14 days from the day of purchase of the upgrade or the day on which you receive your documents, whichever is later. If you wish to cancel, you'll be entitled to a full refund of any premium paid provided no one insured by this Pack has travelled, and there's been no claim or incident likely to give rise to a claim. If you don't exercise your right to cancel, cover will continue in force and you will need to pay any premium due.
- For cancellations outside this 14-day period no refund of premium will be made.

Our cancellation rights

Barclays may cancel the Worldwide Travel Insurance immediately on our behalf by sending at least 7 days' written notice to your last known postal and/or email address setting out the reason for cancellation. Valid reasons include, but are not limited to, the following:

- Where we reasonably suspect fraud.
- Where you fail to co-operate with us or provide us with information or documentation we reasonably require and this affects our ability to process a claim or defend our interests.
- Where you haven't taken reasonable care to provide complete and accurate answers to the questions we ask. See section '4. Your health', and 'Information and changes you need to tell us about' in section '3. Things you need to know about this insurance'.

- is no longer a UK resident, or changes their main address to a non-UK address.
- Barclays removes the Pack for one of the reasons in the 'Closing your Pack' section in the Barclays Pack(s) terms and conditions within this Welcome Pack.

If an insured person isn't eligible for the travel insurance cover, there will be no refund or reduction in the Pack fee.

As your circumstances may change over time, it's important that you review the terms and conditions of your worldwide travel insurance regularly to check you remain eligible and that the cover remains adequate for your needs.

If an insured person is on a trip at the time an automatic termination event occurs, all cover will cease when the trip ends.

When we can make changes to your cover

We can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions, to reflect changes in our expectations of the future likely cost of providing cover. Policy cover may increase or decrease, but the changes will not be made for the sake of recouping past losses. When doing so we will only consider one or more of the following:

- Our experience and expectations of the cost of providing this product and/or other Aviva products of a similar nature.
- Information reasonably available to us on the actual and expected claims experience of insurers of similar products.
- Widely available economic information such as inflation rates and exchange rates.

Additionally, we can, at any time and after taking a fair and reasonable view, make changes to your Travel Insurance terms and conditions:

- to reflect changes (affecting us or your policy) in the law or regulation or the interpretation of law or regulation, or changes in taxation.
- to reflect decisions or recommendations of an Ombudsman, regulator or similar person, or any code of practice, with which we intend to comply.
- in order to make your policy clearer and fairer to you or to rectify any mistakes that may be discovered in due course.

Changes (together with the reasons for such changes) will be notified to you in writing at least 30 days in advance.

Claims fraud

If your claim is in any way dishonest or exaggerated, we will not pay any benefit under this policy, and we may cancel your policy immediately and backdate the cancellation to the date of the fraudulent claim. We may also take legal action against you to include recovery of any sums paid to you in respect of the fraudulent claim.

Contribution to claim

If, at the time of an incident which results in a claim under this policy, there's any other insurance or other source covering the same loss, damage, expense or liability, we're entitled to approach that insurer and/or other source for a contribution towards the claim and will only pay our share.

Your duty to prevent injury, loss, theft or damage

You and all insured persons must take all reasonable precautions to protect yourselves, your property, and the property of others.

Transfer of rights

You cannot transfer your rights under this policy. A person, partnership (whether limited or not) or company who is not insured under this policy has no rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms.

Payments made under compulsory insurance regulations and rights of recovery

If the law of a country in which this policy operates requires us to settle a claim which, if this law had not existed we would not be obliged to pay, we shall be entitled to recover such payments from the relevant person insured or the person who incurred the liability.

Choice of law

The law of England and Wales will apply to this contract, unless

- You and we agree otherwise; or
- At the date of the contract you are a resident of Scotland or Northern Ireland in which case (in the absence of agreement to the contrary) the law of that country will apply.

The data controller responsible for this personal information is Aviva Insurance Limited as the insurer of the product. Additional controllers include Barclays, who are responsible for the sale and distribution of the product, and any applicable insurers, reinsurers or brokers we use.

Personal information we collect and how we use it

We will use personal information collected from you and obtained from other sources:

- to provide you with insurance: we need this to decide if we can offer insurance to you and if soon what terms and also to administer your policy, handle any claims and manage any renewal
- to support legitimate interests that we have as a business. We need this to:
 - manage arrangements we have with our insurers, reinsurers and brokers we use, and for the detection and prevention of fraud
 - to meet any applicable legal or regulatory obligations: we need this to meet compliance requirements with our regulators (e.g. Financial Conduct Authority), to comply with law enforcement and to manage legal claims, and
 - to carry out other activities that are in the public interest: for example, we may need to use personal information to carry out anti-money laundering checks.

We may also use personal information about other people, for example family members you wish to insure on a policy. If you are providing information about another person we expect you to ensure that they know you are doing so. You might find it helpful to show them this privacy notice.

The personal information we collect and use will include name, address, date of birth and financial information. If a claim is made we will also collect personal information about the claim from you and any relevant third parties. We may also need to ask for details relating to the health or any unspent offences or criminal convictions of you or somebody else covered under your policy. We recognise that information about health and offences or criminal convictions is particularly sensitive information. We'll ensure that we only use that information where we need to for our insurance purposes (including assessing the terms of your insurance contract, dealing with changes to your policy and/or dealing with claims).

There may be times when we need consent to use personal information for a specific reason. If this happens we will make this clear to you at the time. If you give us consent to using personal information, you are free to withdraw this at any time by contacting us – refer to the 'Contacting us' details below. Please note that if consent to use this information is withdrawn we will not be able to continue to process the information you gave us for this/these purpose(s). This would not affect our use of the information where consent is not required.

Of course, you don't have to provide us with any personal information, but if you don't provide the information we need we may not be able to proceed with your application or any claim you make.

Some of the information we use as part of this application may be provided to us by a third party. This may include information already held about you within the Aviva group, including details from previous quotes and claims, information we obtain from publicly available records, our trusted third parties and from industry databases, including fraud prevention agencies and databases.

Credit Reference Agency Searches

To ensure the Insurer has the necessary facts to assess your insurance risk, verify your identity, help prevent fraud and provide you with our best premium and payment options, the Insurer may need to obtain information relating to you at quotation, renewal and in certain circumstances where policy amendments are requested. The Insurer or their agents may undertake checks against publicly available information (such as electoral roll, county court judgments, bankruptcy orders or repossession(s)). Similar checks may be made when assessing claims.

The identity of our Credit Reference Agency, and the ways in which they use and share personal information, are explained in more detail at transunion.co.uk/crain

Automated decision making

We carry out automated decision making to decide whether we can provide insurance to you and on what terms, deal with claims or carry out fraud checks. In particular we may use an automated underwriting engine to provide a quote for this product, using the information we have collected.

How we share your personal information with others

We may share your personal information:

- with the Aviva group, our agents and third parties who provide services to us, Barclays and other insurers (either directly or via those acting for the insurer such as loss adjusters or investigators) to help us administer our products and services
- with regulatory bodies and law enforcement bodies, including the police, e.g. if we are required to do so to comply with a relevant legal or regulatory obligation
- with other organisations including insurers, public bodies and the police (either directly or using shared databases) for fraud prevention and detection purposes
- with reinsurers who provide reinsurance services to Aviva and for each other in respect of risks underwritten by Aviva, with insurers who cover Aviva under its group insurance policies and with our brokers who arrange and manage such reinsurance and insurance arrangements. They will use your data to decide whether to provide reinsurance and insurance cover, arrange

and manage such cover, assess and deal with reinsurance and insurance claims under such cover and to meet legal obligations. They will keep your data for the period necessary for these purposes and may need to disclose it to other companies within their group, their agents and third party service providers, law enforcement and regulatory bodies.

Some of the organisations we share information with may be located outside of the European Economic Area ("EEA"). Important info about your policy

- This policy offers services for the **breakdown** of **vehicles**. It meets the demands and needs of those who wish to ensure the risk of **breakdown** is met now and in the future.
- All requests for service must be made to **us**.
- **Your** policy covers **you** in any **vehicle**. **You** can be a driver or **passenger**.

How long am I covered for and how many claims can I make?

This **breakdown** policy is a part of the **Travel Pack**. **You** are covered while **your Travel Pack** is active.

- There is no limit on the number of **claims you** can make under **UK** cover.
- European breakdown cover has a £2500 limit per **claim**. **You** can make up to 2 **claims** in each 12-month period (starting on the date you first added the **Travel Pack**). Each trip must be for no more than 90 days and must start and end at **home**. **Your** policy must be active for the duration of your trip.

What vehicles am I covered in?

Only **vehicles** that are privately owned or leased and used only for private use are covered. This means the vehicle should be registered in your name or another individual and used for social, domestic, pleasure, and commuting to and from a permanent place of work.

Cover is not provided for company cars or other **vehicles** used for business, even if you are not using it for business at the time. Business use includes hire and reward, delivery use and sign written vehicles.

Caravans and trailers

In the UK

If **your caravan** or **trailer breaks down** in the **UK**, **we** will only send help to try and repair it at the roadside. This could be a permanent or temporary repair. **We** will only recover a **caravan** if it is attached to a **broken-down vehicle**.

In Europe

We do not provide cover for **caravans** or **trailers** as standard, and if **your caravan** or **trailer breaks down**, no cover will be provided.

If, however, **you** are towing a **caravan** or **trailer** at the time **your vehicle breaks down** and **we** are unable to fix **your vehicle** at the roadside, **we** can recover **your caravan** or **trailer** together with **your vehicle** if **you** pay a supplement.

We cannot arrange a replacement **caravan** or **trailer** or guarantee a hire car with a tow bar.

If your **vehicle** has broken down, you may need to leave your **caravan** or **trailer** with the **vehicle** while it's being repaired. If **your** vehicle can't be repaired, **we** may have to bring it back to the **UK** with **your vehicle**.

We cannot normally provide a hire car with a tow bar, so if your **caravan** or **trailer** can't be repaired **you** may need to leave the **caravan** or **trailer** with the **vehicle** while it is being repaired. It may become necessary to bring the **caravan** or **trailer** back to the **UK** together with the **vehicle**, if the **vehicle** cannot be repaired abroad by the planned return date.

Reimbursement

You may need to pay for some services and claim this back from **us**.

To do so please visit www.rac.co.uk/reimbursementclaimform (for breakdowns in the **UK**), or www.rac.co.uk/europeanclaimform (for breakdowns in **Europe**).

If **you** have any queries, please contact **us** on 0333 202 1877. Please send your completed form within 90 days of **your breakdown** with proof of payment (such as a receipt). **We** may ask for original documents. Any costs not arranged through **us** or agreed by **us** will not be **reimbursed**.

1. **We** will arrange for the hire of a small hatchback car. **We** will try to find one close in size to **your vehicle** but can't guarantee this and **we** may need to provide two cars to carry all **passengers**. **We** will pay the insurance and collision damage waiver but not any excess.
2. If **you** aren't eligible for a hire car we arrange, or **we** can't provide a suitable car for **you** to continue your journey, **you** can hire one yourself. This may be because **you** don't meet the hire car company's terms (e.g., because **you** have certain endorsements on your licence, or **you** are under 21). - b. a local garage or
- c. a location of **your** choice

If **we** recover the **vehicle** to a garage, **we** will **reimburse you** for taxi costs for **passengers** to continue **their** journey to a single destination within 20 miles.

Please note this service is only provided if **your home** address is in Northern Ireland and as an alternative option to **D (European Cover)**.

If **your vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under section A (Roadside and At Home). We can arrange for a hire car for 24 hours. Please see Hire car terms on page 47.

Hire cars must be arranged with **us** and within 24 hours of the **breakdown**.

2. Arrange to get the patient **home** or to a local hospital as soon as they are fit to travel.

We will not assist **you** where **you** or one of **your passengers** is taken ill during a **journey** to or from a doctor's surgery or hospital, including planned doctor or hospital appointments or emergencies.

2. **We** establish that repair costs exceed **your vehicle's market value** under **D4 (Getting your vehicle home)**.

D4 – Getting your vehicle home

Covered

If **we** attend a **breakdown** under **D2 (Roadside in Europe)** and the **vehicle** cannot be repaired before **your** planned return to the **UK**, **we** will arrange and pay for:

1. Recovery of the **vehicle** to a single destination of **your** choice in the **UK**; and
2. **Vehicle** storage charges whilst waiting for it to be returned to the **UK**

D5 – Replacement Driver

Covered

Although this is not covered as a **breakdown** under this policy, if **you** unexpectedly fall ill or are injured during a **journey in Europe** meaning **you** are unable to drive, **we** will provide a replacement driver to allow **you** to continue **your journey** or return **home**.

We will need written confirmation from the treating hospital or medical expert that **you** are unable to drive.

Not covered

1. If there is another qualified driver who is a **passenger** and who is fit and legally able to drive the **vehicle**.
2. Any benefits under any other section of this policy.

Accident Care

If **you** have a **road traffic collision** involving another vehicle in the **UK**, call **us** from the scene on Travel Pack – 0330 159 0234.

We will advise whether **you** can still drive the **vehicle** or if it is best for it to be recovered.

If it needs to be recovered, **we** will transport **your vehicle** up to 150 miles from where the **road traffic collision** happened. Please note: any **specialist resource** required by us to arrange the recovery of the **vehicle** will be chargeable.

We can also give **you** help and advice on:

1. whether to claim on **your** insurance;
2. arranging a replacement vehicle if **you** need one; and
3. **your** rights to claim compensation if the **road traffic collision** was not **your** fault.

Telephone legal helpline

Open 24 hours a day, seven days a week all year round. **You** can contact **us** on 0330 159 1446.

We'll give initial advice on any personal motoring legal matter within the **UK**. Where **we** can, **we** will advise what **your** legal rights are, the options

available to **you**, and how best to implement them. **You** may need a lawyer. If so, **we** will let **you** know.

We are not able to give advice:

1. on business or commercial matters (including landlords), immigration or judicial review;
2. where in **our** reasonable opinion, **we** have already given **you** the options available.
3. against **us**.

RAC Motoring Services is regulated by the Financial Conduct Authority in respect of regulated claims management activities.

Urgent message relay

If **your vehicle** has **broken down** and **you** need to get in touch with friends and family urgently, **we** will get a message to them for **you**.

Assistance in a medical emergency

If **you** suddenly or unexpectedly fall ill or are injured, during a journey in the **UK** and no one within **your** party can drive the **vehicle**, **we** may be able to provide **you** assistance, such as taking your vehicle to a place of safety. This service is discretionary, and **we** will decide whether or not to provide this service. **We** will require written confirmation from the treating hospital or medical expert that **you** are unable to drive.

Additional services

In the UK

If **your vehicle** cannot be driven for any reason other than a **breakdown** or **road traffic collision**, for example if **you** have a **driver-induced fault** **we** will send help to the **vehicle**. If **we** cannot get **you** going again, **we** will recover the **vehicle** and **passengers** up to 10 miles.

If you have run out of fuel, we will attend and if possible provide you with enough fuel to get to the nearest filling station, but you will have to pay for the fuel. If that is not possible, we will tow you up to 10 miles.

In the event that an electric **vehicle** runs out of charge, **we** will either send a mobile electric charging vehicle (where available) to provide enough charge to get you to the nearest charge point, or **we** will recover the **vehicle** and **passengers** to the nearest charge point.

Any **specialist resource** required by **us** to repair or arrange the recovery of the **vehicle** will be chargeable.

In Europe

If **your vehicle** cannot be driven due to the following reasons, **we** will attend and recover **your vehicle** and **passengers** to a local garage:

1. A **road traffic collision**;
2. If **you** have put the wrong fuel in the **vehicle**;
3. If **your vehicle** has run out of fuel (or charge in an electric **vehicle**); or
4. If **your vehicle** has a flat tyre.

If **your** keys are locked in the **vehicle**, **we** will get them out, if possible, but **we** are not liable if damage is caused to the **vehicle** in doing so.

In the UK and Europe

We can also provide additional services that are not included in **your** policy, but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist resource** to complete the repairs
3. Extend the hire time for a replacement car; or
4. Arrange a second or extended recovery.

We will agree these costs up front and will need full payment before **we** can help. **You** will be responsible for any additional charges. This is why **we** request proof of identity at the **breakdown**.

General conditions

These apply to all sections of this **policy**. If **you** do not meet them, **we** can refuse cover, cancel **your** policy, or both.

1. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
2. Where the **breakdown** is caused by a component failure this must stop the **vehicle** working. Faulty air-conditioning or the illumination of a warning light for example would not, on its own, be a **breakdown**.
3. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
4. Where **we** deem, acting reasonably, that **you** requested service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
5. **You** (and a driver if **you** were not driving) must be with the **vehicle** at the time of the **breakdown** and when **we** attend, if there is not, **we** will not be able to provide service.
6. **We** are not liable for any loss or damage to the contents of the **vehicle**.
7. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
8. **We** will not allow animals in **our** vehicles, except assistance dogs. Any animals can remain in **your vehicle** at **your** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
9. The **vehicle** must not carry more **passengers** than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat where required.
10. Where **we** provide a repair to **your vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
11. **We** will not be responsible for any losses that **you** incur following a breakdown that are not expressly covered by this policy. For example, **we** will not pay for any loss of earnings or missed appointments.
12. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage, whether an **approved garage** or not, and the contract for such repairs will be between **you** and the garage/repairer.
13. **We** will not provide service under this **policy** if **we** are prevented from doing so in circumstances beyond **our** reasonable control, including, but not limited to, an act of terrorism, a pandemic or epidemic, extreme weather, the activities of civil or government authorities, industrial disputes, riots, war, or civil unrest. In these circumstances, **we** will take steps to prevent or minimise the effects on **our** services.
14. The cost of the following is not covered by this policy:
 - a. **specialist resource**.
 - b. tolls, ferries, congestion or low emission zone charges for **your vehicle** and **our** vehicle.
 - c. any damage to glass even if the damage means **you** cannot legally or safely drive. **We** will arrange transport to a local garage so **you** can arrange to get **your vehicle** fixed but **you** will have to pay for this;

- d. spare tyres and wheels and repairing or sourcing them; or
 - e. recovery by someone other than **RAC**. If the emergency services, local authority, or any government agency are handling the **breakdown**, **we** will only attend and provide recovery once instructed to do so by them.
15. In handling any claim there may be more than one option available to you under this policy. **We** will decide which is the most appropriate option based on **our** expertise in **breakdown** situations. In doing so **we** will act in consultation with **you**, and act reasonably at all times.
 16. When **we** attend a **breakdown**, **we** may ask **you** to review a document or electronic form that records the condition of **your vehicle**. Please make sure this is accurate as **we** are not responsible for any errors or omissions.
 17. **Your vehicle** must be privately owned or leased and used only for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work.
 18. This policy does not cover:
 - a. routine servicing, maintenance, or assembly of **your vehicle**;
 - b. caravan or trailers, except as described under Included benefits;
 - c. **your vehicle** if it is used for business, including for example, company vehicles, vehicles that are sign-written, used for hire and reward or parcel delivery, even if **you** are using it for personal use at the time of **breakdown**;
 - d. **breakdowns** that occur during activities or events that are not subject to the normal rules of the road, for example, **breakdowns** on a track day. **We** will not attend **breakdowns** on racetracks or where **you** have been immediately recovered from a racetrack;
 - e. **breakdowns** that occur, or recovery of the **vehicle** to a destination that is, off the public highway to which **you** or **we** have no legal access;
 - f. **your vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g. **vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy, **we** will provide service;
 - h. any claim that is or may be affected by the influence of alcohol or drugs;
 - i. any **breakdown** that is caused by or as a result of vehicle theft or fire; or
 - j. any claim under this policy where the **breakdown** was first reported to us under a different membership; or
 - k. vehicle storage charges. If **your vehicle** is being stored, **you** will be contacted at **your** last known address with details of how to arrange collection and any fees which may be payable. In extreme instances, where the **vehicle** has not been collected and fees not paid, the **vehicle** may be disposed of and any outstanding fees will be deducted. **You** will be notified, in accordance with legislation, prior to this happening.
 19. If **you** are asked to review and approve a document (either paper or electronic) recording the condition of **your vehicle** and **our** findings at the roadside, it is **your** responsibility to ensure that the record is accurate and complete. **We** will not be responsible for any errors or omissions.

Conditions specific to travel in Europe

1. **You** must be a permanent resident in the **UK** during the period of cover;
2. **Claims** made more than 24 hours after the **breakdown** may be declined in part or completely;
3. This policy does not cover:
 - a. **Vehicle** storage charges, other than under Getting your vehicle home;
 - b. The hire of minibuses, motorhomes, motorcycles, caravans, trailers, or vans;
 - c. Overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling.
4. **You** must comply with, and make sure the **vehicle** complies with all relevant laws of the countries **you** visit during a **journey**;
5. How **we** calculate the exchange rate:
 - a. Any costs incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used by **us** at the time;
 - b. Costs incurred by **you** in a currency other than GBP which are recoverable from **us** will be converted to GBP either:
 - i. At the exchange rate used by **our** credit or debit card provider; or

- ii. At the exchange rate used by **us** when **we** receive **your** claim form if **you** paid in cash.
6. If **your vehicle** needs to be repaired following a **breakdown**, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse **your claim** under **D3 (Onward Travel in Europe)** or **D4 (Getting your vehicle home)**.
 7. Where **we** arrange a hire car, taxi, hotel, or similar benefit under this policy, **we** will always try to find a suitable option that is available at the time, however:
 - a. **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and
 - b. for hire cars, whilst **we** use reputable companies, **we** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
 8. If the **breakdown** is caused by flooding brought about by adverse weather, **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to **your** vehicle's motor insurer.
